Dear Mr. Pierce

During 1977 an NA meeting in a recovery house was not permitted to vote in an area service committee meeting. The reason being that there might be some implied affiliation between NA and the recovery house. I was elected as a general service representative, and the meeting was registered with the World Service Office.

I had to go back to the meeting and tell them that they could not be represented. We did find representation later in another area, but I would still like to see this matter brought up before the next World Service Conference.

Yours in fellowship,

Henry Spiegel
