

NARCOTICS ANONYMOUS

Board Of Trustee Minutes: November 3, 1979

Minutes from the August 5th meeting were read, corrected then accepted.

1980 Elections were held and the following people were elected:

Chairman	-	Chuck S.
Vice-Chairman	-	Cliff Craft
Secretary	-	Lin A.

OLD BUSINESS: None.

NEW BUSINESS: Cliff mentioned that speakers at the 9th World Convention and recent conventions were not necessarily N.A. speakers only. Greg stated that conventions were not our business. Chuck added that we could make suggestions but not make guidelines. A discussion followed with ideas on how to get speakers for conventions.

W.S.O. REPORT

\$450.00	approx. Accounts Receivable
\$175.00	available on Postage Meter
\$800.00	in from letters (\$500 donation from Oregon convention & money for literature)

Cliff brought up the fact that some 12-Step meetings are using the AA 12 & 12. Jimmy said that this would be brought up at the next World Service Conference. He also stated that this was one reason why we didn't have N.A. literature (because some groups use A.A.'s) Chuck asked if a letter was sent out worldwide regarding the use of outside literature. Jimmy confirmed that mention was made that groups using outside literature would be classified under "Special Interest."

This was discussed at length.

Bob B. brought up the question of anonymity by mentioning the fact that 4 or 5 N.A. members name's were listed in a newspaper article published up north. Jimmy said that this should be brought to the attention of the W.S.O. Editors will be, and in the past have been, notified.

Chuck made a nomination for a new trustee: Sally E. Greg said that we have already sent her an application. Jimmy nominated Chuck C.

Meeting adjourned.
