TO THE FELLOWSHIP:

We, the Board of Trustees, would like to take this opportunity to thank all of you for your energies, enthusiasm, and support in what has been accomplished thus far. The N.A. Fellowship, as a whole, has come a long way in a short period of time..... We must always remember to be mindful of the Traditions. Especially the 2nd Tradition: "For our Group purpose there is but one ultimate authority - a loving God as He may express Himself in our Group conscience, our leaders are but trusted servants, they do not govern" and the 12th Tradition: "Anonymity is the spiritual foundation of all of Traditions, ever reminding us to place principles before personalities".

Financial responsibility to the World Service Conference, 1983, falls far short at this time of what is needed in order to make arrangements for a facility, rental of typewriters, copying machines, a P.A. system, etc. These items are a necessity to ensure a successful 1983 Conference. Remember it is you the Fellowship that bands together "the ties that bind us" and nothing can take place without reality of financial support. We urge you to look at this and assist wherever possible.

Sincerely yours,

BOARD OF TRUSTEES OF NARCOTICS ANONYMOUS
