Dear Jim,

The Board of Trustees have decided that the Sub-Committee of the new NA WAY Magazine that was approved at the 1982 World Service Conference is in violation of the 6th Tradition. And, therefore, has declared the "NA WAY as a Sub-Committee of the WSC" to be null and void.

However, the Board of Trustees themselves fully supports this earnest and worthwhile cause and fully supports it as a whole. But under existing conditions the World Service Conference is not legally capable of endorsing a private enterprise.

We think that this is a wonderful endeavor for the Fellowship, and, hope that it will be supported. We are certain that you and your staff will, with little effort, figure out the legalities.

If there is anything I as Chairman of the Board of Trustees can do to help you, do not hesitate to contact us.

Sincerely yours,

BOARD OF TRUSTEES OF NARCOTICS ANONYMOUS

Dear Fellow Member,

We have some exciting news: The 1982 World Service Conference of Narcotics Anonymous has formed a new sub-committee to: "Administer the publishing of a monthly magazine on recovery from addiction the NA way."

"The N.A. WAY", our magazine, can become a reality with your help. We need articles on recovery from addiction; personal experiences on sharing our message of recovery, spiritual and inspirational articles, tales of humorous and thought provoking growth experiences, stories about becoming productive responsible members of society, reflective one-liners with impact, personal and group experience in practical application of our traditions, we need your input.

Charter subscriptions will cost \$8.00 for 12 issues. We believe this will be enough to get us started. A financial report will appear in each issue so there will be no question of accountability.

We will print all articles anonymously. Your support will help make our dreams a reality: to have a monthly forum for N.A. recovery, a journal to unify our fellowship worldwide.

Send subscriptions,
articles and input to:
