Dear Family,

On December 4, 1993, our region completed the NA World Services Inventory Regional Service Committee Questionnaire which I am mailing to WSC Inventory as requested.

Before we began, our ASR's voted to allow all RSC trusted servants to participate in the voting process. (Normally only the ASR's have a vote in region business.) We felt that would be a better reflection of the region's conscience.

After completing the survey it was the decision of our committee to also send to world the actual totals of the voting process. We felt it was important for World to see how close some the votes were in order to get a better picture of our region's conscience. Those actual totals are enclosed with this letter.

We hope that this will help you in your inventory process so that the message can be better taken to the still suffering addict. After all that's what it's really all about.

In loving service,

Jerri Mc.
RSC, Corresponding Sec.

NA WORLD SERVICES INVENTORY REGIONAL SERVICE COMMITTEE QUESTIONNAIRE INSTRUCTIONS

Thank you for taking part in the world services inventory project by completing this questionnaire. The inventory is intended to provide means by which our fellowship as a whole can evaluate the various elements of its world service system. This questionnaire is an important part of the overall project. The results will help determine the direction of our fellowship's world services for years to come.

The following instructions have been developed to ensure that all questionnaire responses come back in a usable form:

1. Your RSC should complete only one questionnaire.
2. Use only the original questionnaire. *We will not accept photocopied questionnaires.* If your RSC did not receive a questionnaire in the mail, please write to World Services Inventory, Box 9999, Van Nuys, CA 91409 USA and ask for a regional survey. Include with your request all information necessary to register your RSC or update your RSC registration with our World Service Office.
3. Answer these questions within your RSC itself, using your normal process for developing your RSC's conscience on each question. Do not send this questionnaire back to the ASCs or the groups in your region; they are answering their own questionnaires on world services.
4. Answer all questions.
5. For numbered responses, circle your response.
6. Select only one response per question unless otherwise indicated in the questionnaire.
7. Please complete all the blanks requesting information on your RSC's location at the end of the questionnaire. We must have this information to confirm the validity of the survey.
8. If your RSC has any comments on any of the questions in this survey or wishes to offer more input than is called for in the questionnaire itself, please write on a separate sheet of paper mailed in a separate envelope to World Services Inventory, Box 9999, Van Nuys, CA 91409 USA.
