World Services Inventory Group Questionnaire.

Dear friend,

Our group is aware that WSO
publish the literatures of Sl. No. 16 but we
don't receive much of the publish materials.
The following items are the ones our group
receives -

1. Conference Digest
2. WSO Newslime
3. Conference Report
4. Meeting by Mail.
5. Reaching and.

Right now we are in a confusing state
whether N4 update is similar to Group Update
form or not, Also about PI News since
the group's inception we haven't received
even a single copy of PI news.

The present existing problem the
group feels is we are very much in
lack of medallions, key-tags, & other basic
materials to support the new comers.

of our group. So we believe that
the WHO would look at it.

The other questions are all
relevant ~~the~~^{for} the welfare of NA
community.

Thanking you.
