Independent Auditors' Report

To the World Board of
 Narcotics Anonymous World Services, Inc.

We have audited the accompanying consolidated statements of financial position of Narcotics Anonymous World Services, Inc. (the "Organization") as of June 30, 2012, 2011 and 2010, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of Payam Omega, (the official business name of the Iran service office) as of June 30, 2012 and 2011 and for the years then ended, which statements reflect total assets of \$580,651 and \$1,122,502 as of June 30, 2012 and 2011, respectively, and total revenues of \$193,820 and \$328,950, respectively, for the years then ended. Except as explained in the third paragraph, those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Payam Omega, is based solely on the report of the other auditors.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the report of the other auditors provide a reasonable basis for our opinion.

The opinion of the other auditors on the June 30, 2012 and 2011 financial statements of Payam Omega was qualified because they were not able to obtain information to support inventory in the amount of \$317,021 as of June 30, 2012 and \$492,185 as of June 30, 2011, and net assets of \$171,708 as of June 30, 2010.

In our opinion, based on our audits and the report of the other auditors, except for the effects of such adjustments, if any, as might have been determined to be necessary had the other auditors been able to satisfy themselves as to Payam Omega's inventory as of June 30, 2012 and 2011 and net assets as of June 30, 2010, the consolidated financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Narcotics Anonymous World Services, Inc. as of June 30, 2012, 2011 and 2010 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.
